Standard Transmission Parts  
Transfer Case Parts  
Rebuilt Units  
Differential Parts

Daily UPS Shipping and Receiving

We will gladly answer your questions  
regarding any of our parts or units

---

## Same Day Shipping

Beaver Brook maintains a large inventory of new and used parts. Occasionally, items may not be available to ship at the time your order is placed. If this occurs, we will ship your order immediately upon the items becoming available. If we are unable to ship your order within a reasonable amount of time, you will be notified promptly.

Orders are shipped via UPS

## Payment Options

We will accept all major credit cards, as well as business and personal checks. Orders paid for by check will not be shipped until we receive the check and it clears.

~ We appreciate your business ~

### **DISCLAIMER/WARRANTY**

#### **NO RETURNS AFTER 30 DAYS**

All claims and returned goods must be accompanied by an invoice. All sales are final, unless prior authorization has been given. Upon approval, all returns are subject to a 15% restocking fee. No used or damaged parts will be refunded. We offer a limited warranty for ninety (90) days from the original date of sale.

This warranty is limited to part replacement or repair (at our discretion) if found to be defective in material or workmanship. This does not cover removal, reinstallation, or any other incidental costs to repair the vehicle, nor does it cover owner abuse, misinstallation, or misapplication of part(s) sold, or incorrect, low or no oil.

Some parts in this catalog are not manufactured by the Original Equipment Manufacturer and any reference to trademarks are for cross-reference purposes only. All manufacturer names, symbols and specifications are used for identification purposes only. The information contained in this catalog is believed to be true at the time of publishing. The publisher is not responsible for any losses, direct or indirect, that are the result of information within this publication, nor do we make any claims as to the suitability for use of the product/information within this publication.
